

Beijing Institute of Graphic Communication (BIGC) was found in 1958. For the past 60 years, our university has remained the leading institution in the field of publishing & communication, printing & packaging and art & design in China. Now BIGC has become a comprehensive university with the coordination of engineering, humanities, management, media and art & design.

Under the context of Beijing International Students Belt & Road Initiative, BIGC worked out the 2024 Degree-Programs and related preferential policy. The programs have two levels: under-graduate (4 years) and post graduate(2 years) programs. Students who accomplish the required credits of the program and qualified for the degree request can get their degree certificates.
